Production Capacity

Everyone has a dream, so does Kenva Workwear.

Our dream is to become the best workwear supplier in China.

To make this dream come true, we work hard everyday.

Now, Kenva is one of the leading workwear manufactory in China.

We could provide customers with fashionable and high quality products including Workwear, Hi-vis gear, Waterproof garment, Flame resistant garment, Softshell ,Fleece and Knitted wear.

To make this dream come true, we attach great importance to issues of product quality. Our products which are strictly verified could meet related world standard.

To make this dream come true, we need your support, our distinguished customers. We care for every customer, try to complete every order perfectly.

One more customer, means one more step closer to our dream.

Dream to work, work for dream!

Padding: 100% Polyester
Lining: 100% Polyester taffeta
Reflective tape: 3M Reflective tape
ANSI/ISEA 107-2010 Class3

Compared with ANSI/ISEA 107-2004, ANSI/ISEA 107-2010 include a new requirement for retroreflective material in the shoulder area; clarification of the definitions of waterproof, water resistant, and water repellent; and new labeling and test requirements for flame resistant garments. An update to the 2010 version is currently under revision and is expected to be published as a revised document by the end of 2015.
